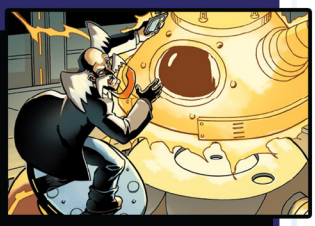
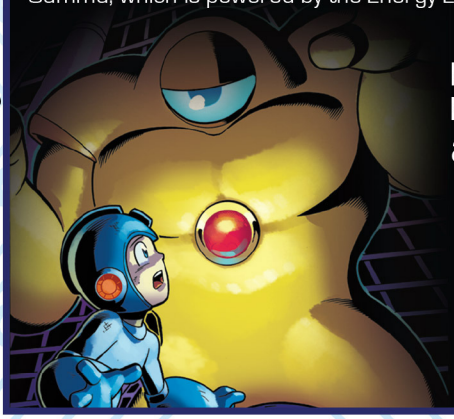
### THE FINAL FIGHT BEGINS



Dr. Wily had tricked the people of the world into believing he was an innocent victim of circumstance. Then he viciously struck, stealing the eight rare and powerful Energy Elements as well as the super-robot Gamma, and burned Light Labs to the ground.

Now Mega Man has arrived on Dr. Wily's hidden island and invaded the mad doctor's castle. Mega Man must stop Dr. Wily from taking control of Gamma, which is powered by the Energy Elements.



**But Dr. Wily is ready for him, and has pulled out all the stops...**

**Dear Mega-Mail**
I'll cut straight to the point, so I don't seem like I'm wasting time.

***I like your style! Mind if I CUT in?!***

***Uh oh! Looks like Cut Man is taking over!***

I like X and regular Mega Man a lot, but my all-time favorite character has to be Zero.

***Why, yes! Zero can really SLICE the competition with his super cool Z-Saber!***

I was wondering if you'd end up making a comic mini-series based on the wonderful Mega Man Zero games.

**From,**
**Felix W. sent to MegaMan@ArchieComics.com**

***Thanks for the letter, Felix! I'm sure the guys at Archie would like to take a STAB at it!***

***Okay, I think that's enough of that! Thanks, Felix!***

**Dear Mega-Mail,**
Congrats! You've made this long-time Sonic fan a new Mega Man fan!

***Woot! Thanks for joining the Mega Man bandwagon!***

Seriously, I did not know who he was until I read "Worlds Collide." After reading "Worlds Collide," I caught myself up on the back issues and I am so excited for the upcoming "Worlds Unite."

***Excellent! We hope you enjoy the Sonic and Mega Man crossover sequel! It's coming up super soon (as you can see by the countdown ticker on the front cover!), so get pumped!***

I hope Mega Man continues for many years to come.
Keep up the excellent work!
**Joy from Mississippi**

***Thanks, Joy! I'm glad you're diggin' the series!***

**Dear Mega-Mail,**
Hi.

***Yo!***

My name is Lainie and I drew a picture of Zero! I can see why everyone likes Zero because he is such an awesome character. I hope you can put my picture in one of the issues. Thank you!

**From,**
**Lainie S. sent to MegaMan@ArchieComics.com**

***Thanks for the letter and awesome drawing, Lainie! See the previous page for Lainie's drawing of Zero!***

***That's all for this issue, folks! See y'all next time for the startling conclusion to "The Ultimate Betrayal"!***
